All artwork done in Carrara by Kirk Saavedra using our shader collection

Welcome to the largest collection of free Carrara shaders and textures on the net!

Carrara 3D is a great 3D creation tool for beginners and advanced artist with an outstanding render engine giving you the ability to create whatever you want in a fast and efficient time with an easy learning curve even the most novice of 3D artist can learn this program in little time.

Our Carrara shader collections include a large array of shaders like: glass, plastic, wood, bars, metal, paper, rust, clean metals, cloth, leather shaders etc and the best part it is all free!

Yes, all our Carrara shaders are FREE and may be used in personal and commercial use. All we ask is credit be given to Kirk Saavedra if used in a commercial project.

Be sure to bookmark us as we are always adding new shaders to our collection, Enjoy!
